LETTER FROM LEADERSHIP

The team at CFCU is excited to transition to the IRFCU team. We've been working side-by-side and are ready for this final step. This conversion is a benefit to our members, providing a greater variety of products and services to enhance your financial experience.

As with any change, there may be some growing pains. We are working hard to minimize any service disruption, but there will be some minor inconveniences as the system goes offline as we switch over to IRFCU. This guide is designed to ensure that you are fully prepared for a smooth, successful transition. Please read the information thoroughly.
